Large audience at V. I. A. entertainment last Wednesday evening.

Miss Calro Eiford of Lexington, S. C., is the guest of Miss Mary Graham.

Rev. R. N. Cate attended the Baptist state convention in Gainesville last week.

Ed. N. Maul of Jacksonville visited his mother, Mrs. J. L. Maul, this week.

Judge Burton, L. C. Turner and K. M. White were among the Monday visitors to Palatka.

Miss Anna Reed of Palatka spent Thursday here as the guest of Miss Jessie Burton.

Miss Jessie Burton spent several days early in the week on a visit to Miss Susie Walton of Palatka.

Mr. and Mrs. Chas. C. Mathis and two children of Saluda, S. C., arrived last week on a visit to their parents, Mr. and Mrs. J. H. Mathis.

Dr. H. E. Johnson has as his guest Mr. Mundt of Fairbury, Ill., who is making his first visit to Crescent City. Dr. Johnson and Mr. Mundt are close neighbors in Illinois.

Eph. Williams' Minstrels gave tent performances here on Monday and Tuesday nights to large audiences. Same company was here last year and the people were pleased.

Revival services will begin at the Baptist church next Sunday under the ministry of Rev. Mr. Jones, an evangelist from Alabama. Tent meetings will be held daily for some time.

Chester W. Norton is now a member of the senior class of St. Hermon school at Northfield, Mass., and at a recent class election was chosen president, which shows that the Crescent City boy is "going some."

The Arnold Fruit Company of Jacksonville has been buying much of the better class of slightly frosted oranges in the section and has been using the old Beach & Miller packing house near the Crescent landing for packing and shipping.

Col. Geo. T. Graham, J. H. Ernest and Chas. C. Mathis and James Padgett Jr., went over to Salt Springs on a deer hunt last week. Col. Graham shot one large doe and the party secured much smaller game. All enjoyed the sport very much.

Mr. and Mrs. Dales and two children of Akron, Ohio, who arrived last week and who are stopping at the Turner House, have a magnificent launch, now completely equipped, but which they will utilize for a trip through the inland waters of Florida.

W. B. Campbell, acting for the town council, has set out a large number of palm trees on Central avenue, and which when grown, will add much to the beauty of the street. Several have been set out in other localities by private property owners.

It is reported that Mrs. S. B. Shaw has purchased of F. S. Cone the large vacant lot at the corner of Central avenue and Summit street, and that she designs putting up a fine store. Mrs. Shaw keeps a fine line of dry goods and millinery and the News is glad she has been so prosperous in trade.

Miss Lulu May Hunter is after one of the district prizes offered by the Jacksonville Metropolitan for new subscribers. Miss Hunter should win if popularity counts for anything, and the people of Crescent City will be pleased to aid her. She is already well up toward the top of contestants in this district.

W. B. Maul has started out to capture the prize of \$1,000 offered by the Jacksonville Metropolitan in its effort to secure new subscribers. Mr. Maul says he means to bring down the prize and in his efforts will canvas for subscribers in other parts of the state. He left on his initial trip last Thursday.

The Miami district conference of the Methodist Episcopal church, south, will be held in Crescent City June 8-12. This meeting will bring quite a gathering of prominent ministers and laymen here for a four days session, and will probably be the largest gathering of church workers ever held here.

Rev. John H. Davis pastor of the Methodist church requests the News to announce that there will be preaching in that church next Sunday morning, and that the children and parents are especially invited, as the service will be in the interest of the children. All strangers in town are cordially invited to the services of this church.

Mrs. Mary Scott Miller, general manager of the Beach & Miller line, is getting out an illustrated folder depicting the pleasures of the daylight ride on the St. Johns river from Jacksonville to Crescent City, which will soon be ready for distribution. This river trip is certainly one of the most interesting in all Florida, and the News predicts that the distribution of the new folder among tourists will result in a great increase of travel by the steamer Crescent.

The school entertainment at the Auditorium on Friday night attracted a large audience. The young people of the high school presented the comedy "My Cousin Timmy," and instrumental numbers were given by Misses Abbie Jean Miller and Gertrude Benham, while vocal numbers were rendered by George Miller and Grace Burton. Prominent parts in the play were taken by Misses Curt Burton, Elsie Padgett, Mary Alice Eaton and Louise Hunter. Phillips Cash and young DeWolf also came in for special honors in the rendition of their parts. The play netted over \$30 for the new piano.

A VERY QUEER BIRD.

The One Young Mark Twain Sprung Upon the Scientists.

Mark Twain's father was an ornithologist. He had several friends who were also enthusiasts on the subject of birds. Whenever any one of them discovered a new bird it was the custom to have a consultation. Mark had been a witness of several of these bird inquiries and had noted the delight the old men took in discussing a new found specimen. One day it occurred to him to provide the Hannibal ornithologists with a real circus in the form of a bird. He killed a crow and also a barnyard rooster. Plucking out the tail feathers of both the crow and the rooster, he substituted the rooster's tail feathers for those of the crow, producing a unique effect. When he had the specimen nicely prepared he went to his father and, handing it to him, said:

"Here, father, is a very curious bird I shot. I thought you would be interested in it."

The old gentleman gazed upon the specimen with astonishment. That evening the ornithologists of Hannibal were assembled in Mr. Clemens' parlor. The rare specimen was put before them. The discussion was long and learned. The opinions expressed were various. One thought the bird was an offshoot of the bird of paradise family; others had equally ridiculous notions as to its ancestry. But there was one who refused to be swayed by the peculiarity of the bird's tail from the judgment that it was of the crow family.

"Why, just look here," he said, lifting the bird by its tail feathers. He got no further. The feathers came out. There was a quick closing of a door. Mr. Clemens started to leave the room.

"Gentlemen," he said, "please excuse me a few moments. I will see Samuel first and explain later."

Six Nights "Go as You Please Race."

How many tired fathers and mothers in this town enter this race every night, carrying a baby? And they wonder what the matter is. Chances are the child is starving—worms are eating all of its food. Most children have worms, yours needn't. White's Cream Vermifuge will get rid of the worms and strengthen the child.

Exception.

Teacher—As I have been telling you, there are two general classes of workers. Tommy, does your father make his living by using his brains or by using his muscles? Tommy—Neither one, ma'am. He's a policeman.—Chicago Tribune.

The Commons.

The "second chamber," or "commons," or "popular assembly," or "house of representatives," as it is variously termed, takes us back to the battle between the Patricians and Plebs in republican Rome. In the language of a very high authority on the subject, "The first real anticipation of a second (popular) chamber, armed with a veto on the proposals of a separate authority and representing a different interest (the interest of the body of the people as opposed to the interest of the hitherto dominant aristocracy), occurs in the Roman tribunate." When the Roman Plebs got their tribunes the very beginning of the modern machinery of the commons or house of representatives was established.—New York American.

Tommy's Defense.

Mamma—Tommy, you've been fighting again. Your clothes are torn, and your face is scratched. Why can't you do like your little sister? She never fights. Small Tommy—Well, mamma, it's better to have a good square fight and get all the mud out of you than to carry it in you for months like girls do.—Chicago News.

More's the Pity.

Patience—It takes two to make a quarrel, you know. Patrice—And yet I have known quarrels to occur when two persons have been made one.—Yonkers Statesman.

A Student of Human Nature.

"That was a pretty harsh note Mr. Clincher sent you."

"Yes," answered the debtor. "But he didn't mean most of it. He has just employed a new stenographer. When he dictated that letter he was showing off."—Washington Star.

For Pain in Chest

For sore throat, sharp pain in lungs, tightness across the chest, hoarseness or cough, have the parts with Sloan's Liniment. You don't need to rub, just lay it on lightly. It penetrates instantly to the seat of the trouble, relieves congestion and stops the pain.

Here's the Proof. Mr. A. W. Price, Fredonia, Kans., says: "We have used Sloan's Liniment for a year, and find it an excellent thing for sore throat, chest pains, colds, and hay fever attacks. A few drops taken on sugar stops coughing and sneezing instantly."

Sloan's Liniment is easier to use than porous plasters, acts quicker and does not clog up the pores of the skin. It is an excellent antiseptic remedy for asthma, bronchitis, and all inflammatory diseases of the throat and chest; will break up the deadly membrane in an attack of croup, and will kill any kind of neuralgia or rheumatic pain.

All drug stores keep Sloan's Liniment. Price 25c., 50c., and \$1.00.
